

Certificate number : 15.0073
Project number : 150901587
Date : October 2015

Certificate

product : *glued artificial turf connection with seaming tape and Polin PU 6017 artificial grass adhesive*

supplied by : *Polin Kimya San. Ve Tic.Ltd. Sti
Sanayi Bölgesi 5. yol No: 26
Tuzla, Istanbul, Turkey*

research purpose : *determination of the peel strength according to standards NEN-EN12228 (method 2) and EN13744*

Contents

According to the laboratory research performed by Kiwa ISA Sport B.V. it is concluded that:

- the glued connection is suitable as joint connection in artificial turf football constructions, according to the International Artificial Turf Standard

The glued connection consists of:

- artificial turf: Type A
- glue: Polin PU 6017 artificial grass adhesive
